SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

South Carolina Connections Academy (SCCA) is a new public virtual charter school that opened during the 2008-2009 school year as a member of the South Carolina Public Charter School District. SCCA offers a premier online education to children in grades K-12 regardless of where they reside in the state. Our curriculum meets national and state standards while simultaneously meeting the personal needs of all of our students. Students progress through the program under the guidance of their Learning Coach (typically a parent or guardian) in conjunction with their highly qualified South Carolina certified teachers. Regular interaction occurs via phone, email, and live web conferences. Student work is then submitted online for teacher review. Our user friendly Learning Management System (LMS) includes coursework, a daily planner, a grade book, attendance recorder, communication tools, a virtual library, messages boards, and supplemental learning programs. The LMS provides all the necessary information, at your fingertips, to successfully learn anywhere there is an internet connection. This unique system sets us apart from all other virtual charter schools.

SCCA offers advanced curriculum to Gifted and Talented students in grades 3 through 8 Science, Math and Language Arts. These students participate in a Literature Study course using the Junior Great Books series. Teachers in our Special Education Department serve their students using the inclusion model to meet their needs in the least restrictive environment.

Our high school program includes approximately 300 students across the state. The selection of courses we offer is varied and challenging. Students are able to study Foreign Languages such as Mandarin Chinese, Latin, French, and Spanish. We also offer 20 Advanced Placement courses and a variety of college preparatory electives. Our graduation requirements are more rigorous than the state mandates. SCCA requires all students to successfully complete two years of foreign languages or humanities. In addition, a full year of health and a full year of American Government are required.

In an effort to create a sense of community, various field trips were planned statewide. This allowed students, parents, and teachers to interact face-to-face. Over thirty opportunities were held during the 2008-2009 school year including museum, zoo, and aquarium tours; environmental awareness activities; Mad Science interactive labs; and two arts festivals featuring student work.
